PLEDGE

I _____, love my job.

I love that I get to create and inspire with my work on a daily basis. I also recognize that the pleasure that we all take from this industry and the creativity that runs through it, should NOT come at the expense of ANIMALS, PEOPLE or the ENVIRONMENT.

I therefore pledge, that moving forward, I will not knowingly use FUR, EXOTIC FEATHERS or EXOTIC SKINS in any of my creative projects.

I also pledge to leave the fashion industry in a better place, than when I entered it, by being part of the solution instead of being part of the problem.

Signed,
